Grille Inserts - Matte Black

## Contents:

(7) - Grille Inserts

Peel the backing from the 3M tape on the grille insert and install in the center grille opening.

Begin by thoroughly wiping down the area of the grille where the inserts will adhere. Be sure the grille area is clean and free of any grease, dirt, or dust.

Install the remaining six surrounds using the center surround as a guide. Be sure they are all aligned before pressing down to fully seat the adhesive tape.
